Educational Plan Review & Status

January Webinar has been canceled by the Board of Directors due to budgetary constraints.

Tentative conference programming below

Review Topic/Speaker Ideas Document	Becki has heard Christopher Littlefield speak, described as a dynamic speaker. Only concern is the presentation would have to be submitted without any commercial bias' as he has a published book on the topic.
Webinar/Conference Planning Discussion	March 14th Spring Program @ Henry Center, Lansing MI Human Trafficking/Shootings in Healthcare - Carmen Kunich Michelle Tuckerman Update: Contacted Carmen who has blocked off both spring and annual meeting dates. Tentatively planning for spring however Carmen has mandatory training sometime in spring and will not know exact dates until January 2023. Will present on both topics of Human Trafficking and Shootings in Healthcare. Maximum give allowed to receive is \$20 value per federal guidelines. LTC Risks Speaker: Deb Speck Spring vs. Annual Discussed LTC Risks Presentation, team agreeable to request presentation be completed in March, preferable first presentation of day. Michelle will reach out to Chris to connect with the speaker. PSO/Protective Works Laura Maka Update: Speaker: Linda, available for May, Laura will get back with committee re: costs, willing to update presentation to be more risk focused rather than quality Mindfulness/Wellbeing Thoughts on how to proceed? Anyone on the committee who would want to present on this topic? Ashley Meyers will reach out to Katie Stanley Becki Wolters - ASHRM conference speaker, Tatum O'Sullivan Burn Out Session - Becki will reach out to Tatum. Might be good after Kunich presentations May 23-26 Annual Meeting @ Blue Water Convention Center, Port Huron MI Legal Update/Basics of Malpractice David Busscher Update: Erin Hamming not w/MPIE any longer so need to track down. MPIE becoming Constellation. David can be part of the presentation in May. David will connect w/Erin or connect w/Colleague at Coverys to co-present

	Risk Panel Discussion Chris Allman Update: Michelle Tuckerman will reach out to Chris to determine what he found out. Grow Your Own Speakers: Kathy Schaefer & Geri Amori Spring vs. Annual Implicit Bias/Open Notes Spring vs. Annual Ashley Meyers will present Implicit Bias Michelle Tuckerman will present Open Notes (high level) Discussed planning to back-fill March conference if Carmen is unavailable. Can move Implicit Bias/Open Notes and potentially Grown Your Own to March if needed as speakers are members of MSHRM. Discussed Mindfulness or Burnout presentations would be good pairings after Carmen's presentations due to the nature of content. Discussed the topic of Risk Management Staffing Patterns. Article published by Trinity Insurance and Risk Management Team in ASHRMs Journal of Risk Management. Laura Maka shares that the initial paper was written and presented at MSHRM in 2019 so this could be a good follow-up presentation for the membership. Laura will reach out to Karen Stein and Lydia Glusko to discuss the possibility of speaking in May. Ashley Meyers shared Dr. Bobby Redwood from Med-IQ is an excellent speaker on physician engagement and does work through MHA. Works closely with Dr. Redwood through Med-IQ. Ashley will reach out.
